Prez Says

Ed Schwinn

Nominations for chapter Treasurer and Vice President are scheduled for our next meeting (October 4th). Brian has been busy trying to find someone to replace him as VP and John Wilemski as treasurer.

If you are looking for a way to give something back to the chapter, this is a great way to do it. These positions do not take up a lot of time and give you the opportunity to provide direction for the future of our chapter. Please consider running for one of these positions.
