Prez Says

Ed Schwinn

Beautiful weather prevailed for our October 4th chapter meeting, cutting down considerably on attendance. I hope all of those missing the meeting had a great day flying.

Officer nominations were held and prior to the meeting, no one had volunteered to be nominated. We are fortunate that Bob Burkhardt and Paul Payne stepped up to the plate to fill the soon to be vacant treasurer and VP positions respectively. We are grateful for your willingness to serve.

Mark your calendars. Brian has announced the annual banquet will be held Saturday, January 9th at 5:30 PM at Houston's, the same location as last year. We plan on continuing our tradition of the holiday gift exchange. More details to follow.

These are heavy duty scales designed for Sports cars or heavy aircraft

A very nice display of weight and balance on the scales.
